

All About Me!

My name is Jennifer Morris, and this is my 14th year teaching! I received both my Bachelors and Masters degrees from Eastern Michigan University. I have taught a variety of subjects over the years, and I'm super excited to be teaching 5th grade at SJA! Your student and I are going to have a great year!

I live in Grosse Pointe Woods with my family- my husband and I have 5 children between us. Our oldest is a recent college graduate, the next is in the Coast Guard (and recently finished boot camp!) We also have a high school senior at GP North, a middle schooler and a third grader. Needless to say we are busy! We also have three French Bulldogs (my babies!) named Louisa, Cooper and Fiona. I'm sure your children will be hearing about their antics quite often.

In my spare time, I love to read and be in my kitchen. My youngest and I love to bake together, and often make yummy treats on the weekends. I tried to garden, but my thumb tends to not be so "green" at times. I am looking forward to a wonderful year with your student!
